Pleasant Land Distillery, Kent

Pleasant Land Distillers are a quality-driven, family-run, small-batch, fully sustainable distiller based in Kent.

The UK has beautiful orchards, producing delicious, high-quality fruit, too much of which is wasted. Taking advantage of this they distill parcels of individual fruits from local growers creating a unique range of single varietal, high-quality eau de vie.

Built on the principles of authenticity and quality, these un-aged fruit brandies capture the aroma and flavour of the fruit in a pure, concentrated form and we love them!
